What We Love About This Home

Spacious, flowing tri-level floor plan! Create memorable meals in the open Chef's kitchen with high-end appliances and unwind at the end of the day in the huge primary bedroom retreat with bonus space for sitting area, home office, exercise equipment or nursery.

Has shelter-in-place changed your entertaining options? Imagine enjoying your own private backyard oasis with a covered patio ideal for grilling and relaxing, grass area to romp and play, a hot tub to soak in under the stars and delightful landscaping.

Convenient RV or boat parking.
